John Kirk's Legal Tips

If you get hurt at work, it's important that you report it to a supervisor. This is legal notice to your employer.

If you seek medical treatment, it's also important that you inform your doctor that you were injured at work so that the fact will get into your medical record.

For free advice regarding your specific matter, call us or come in. We represent workers. Not companies.

278.214 Curtailment of service by utility or generation and transmission cooperative.

When a utility or generation and transmission cooperative engaged in the transmission of electricity experiences on its transmission facilities an emergency or other event that necessitates a curtailment or interruption of service, the utility or generation and transmission cooperative shall not curtail or interrupt retail electric service within its certified territory, or curtail or interrupt wholesale electric energy furnished to a member distribution cooperative for retail electric service within the cooperative's certified territory, except for customers who have agreed to receive interruptible service, until after service has been interrupted to all other customers whose interruption may relieve the emergency or other event.

Effective: April 24, 2002

History: Created 2002 Ky. Acts ch. 365, sec. 12, effective April 24, 2002.

278.212 Filing of plans for electrical interconnection with merchant electric generating facility – Costs of upgrading existing grid.

- (1) No utility shall begin the construction or installation of any property, equipment, or facility to establish an electrical interconnection with a merchant electric generating facility in excess of ten megawatts (10MW) until the plans and specifications for the electrical interconnection have been filed with the commission.
- (2) Notwithstanding any other provision of law, any costs or expenses associated with upgrading the existing electricity transmission grid, as a result of the additional load caused by a merchant electric generating facility, shall be borne solely by the person constructing the merchant electric generating facility and shall in no way be borne by the retail electric customers of the Commonwealth.

Effective: April 24, 2002

History: Created 2002 Ky. Acts ch. 365, sec. 11, effective April 24, 2002.
